YEAR OF THE METAL RAT

According to the 2020 Chinese horoscope, the Lunar New Year starts on Saturday, January 25th and ends on February 11th, 2021. The Rat is the first sign from the 12 animals cycle of the Chinese Astrology, and for this reason, 2020 is considered a year of **new beginnings and renewals**.

The Metal Rat Year is going to be a **strong, prosperous, and lucky year** for almost all chinese zodiac signs. Everyone will show determination regarding their goals, aspirations, and even their hobbies. This is a great year for founding and evolving.

2020 FENG SHUI FORECAST FOR CHINESE ANIMAL SIGNS

RAT (1936, 1948, 1960, 1972, 1984, 1996, 2008) You may be filled with a vague feeling of dissatisfaction even though things will go quite well.

OX (1937, 1949, 1961, 1973, 1985, 1997, 2009) In order to amplify the good celestial influences of the year and lessen the negative impacts, it will be in your best interests to take stock of your life and to hatch out new projects.

TIGER (1938, 1950, 1962, 1974, 1986, 1998, 2010) The year that begins is particularly promising, and you can succeed in all your undertakings. The best advice one could give you is to have confidence in yourself.

RABBIT (1939, 1951, 1963, 1975, 1987, 1999, 2011) It would be in your best interest to adopt a well-balanced lifestyle at the very start of the year.

DRAGON (1940, 1952, 1964, 1976, 1988, 2000, 2012) You will become more sure of yourself and assert your originality, especially in your career, where your qualities will be acknowledged by your superiors and colleagues.

SNAKE (1941, 1953, 1965, 1977, 1989, 2001, 2013) your personal evolution will be highlighted by the Stars this year. You'll discover new things that interest you and you'll better understand the direction of your destiny.

HORSE (1942, 1954, 1966, 1978, 1990, 2002, 2014) the year may be marked with important surprises. Now, as a native of this Sign, you abhor the unforeseen. Nevertheless, it will be in your best interest to act quickly if changes come to disrupt your career schedule.

GOAT (1943, 1955, 1967, 1979, 1991, 2003, 2015) The Goat horoscope 2020 predicts a year full of good surprises, especially in your career or social life. However, the Stars can also throw some obstacles your way.

MONKEY (1944, 1956, 1968, 1980, 1992, 2004, 2016) this year, you'll have to make concerted efforts in order to get what you want. Important changes can take place at home or at work, so you need to be prepared. It would be ideal if you could remain confident when you actually

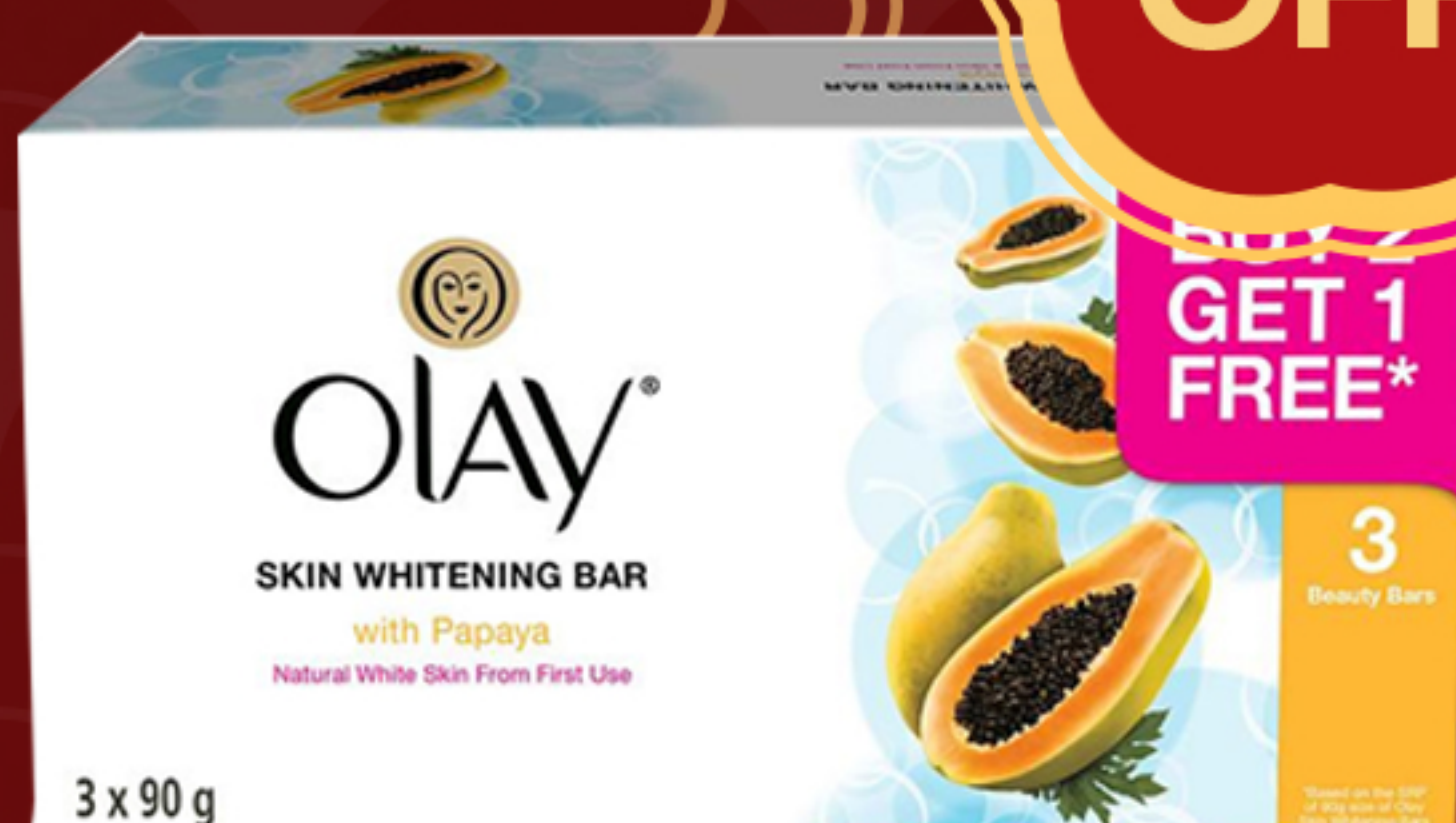

feel like sweating.

ROOSTER (1945, 1957, 1969, 1981, 1993, 2005, 2017) your focus will be on the sectors related to relations with others. Thus, it will be in your best interest to think of other people more.

DOG (1946, 1958, 1970, 1982, 1994, 2006, 2018) You will need to be patient and tenacious at work. If you're wise enough to adapt yourself to new challenges that arise, you'll strengthen your character and develop two key qualities — the art of negotiating and the ability to make sensible choices.

PIG (1947, 1959, 1971, 1983, 1995, 2007, 2019) First, show yourself to be extremely reasonable in all domains of your life. Next, vow to be more selfless. Finally, the more willing you are to modify your plans at the last minute, the better you'll fare in all aspects of your life.
