Rain-proof beauty hacks

Drink at least 8 glasses
of water throughout the
day, humidity can make
you sweat more and skin
that doesn't have enough
moisture will lean towards
looking dull and pale.

The humidity has a tendency
of drying your skin, use a
nourishing moisturizer to
make your skin moist, supple
and healthy.

The sun doesn't shine but your hair can! Try
products in our Hair Care Haul and you'll
see what we're talking about.

Stay guilt-free
while enjoying
your warm,
creamy coffee.
Unsweetened
almond milk
contains fewer
sugar & calories
than dairy milk.
