THE All Day Supermarket BAON HACKS

1. Weekend Meal Preps

Plan your kids' meals ahead by having the components ready on Sunday. Cut vegetables & fruits in advance, or marinate their favorite fish. Go for it if makes the week easier and won't affect the food's quality.

2. Magic Bananas

This will work well on thick-peeled bananas-- just lightly scratch the surface to write your message and after a few hours, they'll magically appear. Surprise your kids with this trick!

3. No More Brown Apples!

Make eating apples easier by cutting them beforehand. Then, secure these slices back in place against the core using a rubber band to prevent them from turning brown.
